

CALLINGTON IN FOOTBALL FINAL

The Callington Football Club travelled to Murray Bridge on Saturday to match their skill against Palmer (minor premiers) and after a very successful third quarter, once again became eligible to play in the Grand Final.

This honor is not new to the Club as in the past five seasons they have attained that position, but so far premiership honors have eluded them.

This year their confidence in the ultimate result is again very high and if they can turn on the same class of football Saturday week there is no doubt their opponents will know the "Bremer Boys" are going to be hard to defeat.

All are looking forward to the grand final, so if the youngsters run true to form, the Olduns see it out and the Mighty Spinks turns on his best effort, the club has every chance of bringing home the "bacon" after 15 years.
