

BRIDGEWATER.

On Saturday a match was played on the local recreation-ground between the Piccadilly Club and a team selected from here. The locals played one short, even after the inclusion of five schoolboys, while their opponents brought over what was regarded as their strongest team. The match created a lot of interest, there being about 200 spectators. A good deal of fun was provided, as many of the contestants had never played in a match before. Good feeling was shown throughout, and hence the players enjoyed the game as well as the spectators. Scores:—Piccadilly, 5.12; Bridgewater, 5.7.
